Show prices. Max shook his head, put the water glass on the nightstand, turned, and headed toward the door.

## **Novel Superfluids: Volume 2 (International Series of Monographs on Physics)**

In this volume, following an introduction to medieval medicine and to the different Italian vernacular translations of the work, we present the first critical edition of the Thesaurus pauperum in ancient Pisan vernacular. Yet, these alternative methods of diagnosing systems are less encompassing and less empirical than what many researchers admit, and their theoretical usefulness is narrow, qualitative, and equivocal in deciphering, or even characterizing, a topic as promising as authentic complexity science.
