European Green Capital Award competition is a key leadership tool. Notice that Charlton puts the phrase of interest in quotation marks and I've put it in italics which might either mean that the phrase was already well-known to his readers, or else that he is just setting off a phrase of his own invention for ease of reading. Die Sache mit den Kindern.

MajesticBooksLondon, United Kingdom. A positive way to look at it is that the failure of relationships is an entirely natural process that is inevitable, and expectable. In this hands-on class, co-founder Leslie Shalabi will show you how to preserve seasonal fruits and vegetables so you can enjoy them months later. Students will extend their ability to apply the concepts of historical thinking and the historical inquiry process, including the interpretation and analysis of evidence, when investigating various forces that helped shape American history. This was an interesting book to read All the interviews were recorded by the author so the books reads as questions and answers which I sometimes found a bit off-putting.

NHL All-Star Game, held in late January or early February,  
marks the symbolic halfway point in the regular season, though  
not the mathematical halfway point which, for most seasons, is  
usually one or two weeks earlier.
