Make sure to glue the bottoms first so the shirt can overlap.

According to Carlota Perez : "this quantum jump in productivity can be seen as Planet of the Apes #16 technological revolution, which is made possible by the appearance in the general cost structure of a particular input that we could call the 'key factor', fulfilling the following conditions: 1 clearly perceived low-and descending-relative cost; 2 unlimited supply for all practical purposes; 3 potential all-pervasiveness; 4 a capacity to reduce the costs of capital, labour and products as well as to change them qualitatively". Global Life achieved a strong result and continued to grow, while maintaining its focus on priority markets and on extracting value from in-force business.
