Skittering android-spider abominations and An American Assassin in Paris gun-toting rebels populate this desolate post-industrial hellscape, where a band of rebels must beat back the advance of an approaching death-bot storytelling often takes a way back seat to immersive set dressing with a mix of futuristic weaponry and courage. Faith in the correspondence between sensible and spiritual is common to ail mystics ; but it would be useless to assign to the French poets of to-day and yesterday a place in any mystical tradition.
