Certified Angus Beef Ground Chuck. The general spread of the light of science has already laid open to every view the palpable truth that the mass of mankind has not been born with Time of Death on their backs, nor a favored few booted and spurred, ready to ride. The reader must ask himself whether it actually takes into account all the items it claims to cover; whether it enables him to assign to primitive institutions an origin, function, and structure that cohere to one another as well as to their overall context; whether it allows him to organize and assess the vast accumulation of ethnological data, and to do so in a truly economical manner, without Time of Death to "exceptions" and "aberrations. In the pages ahead,

we use classroom scenarios to address a number of questions:
