Get Lucky (Mills & Boon M&B) (Tall, Dark and Dangerous, Book 11)

She can create psychic illusions, control or possess the minds of others, scan or wipe minds, astrally project herself, shield her own mind or that of others from other telepaths,

download information into people's brains, track people by sensing their thoughts and telepathic residue, act as a telepathic relay coordinating a team of people, and even telepathically assault others by causing them to mentally shut. Helen Leach analysed the historical origins of the romanticised cottage garden, subjecting the garden style to rigorous historical analysis, along with the ornamental potager and the herb garden.

We appear to see more afar than we used to, through digital devices and virtual fluxes, while crowds fly to distant lands that air technology has made suddenly accessible. It takes a masterful writer however, to look into that kind of a heart of darkness and create artful entertainment from such bleak material.
